CAMPUS SECURITY

PUBLIC SAFETY

Since July 1, 1983, the city of Pippa Passes has been incorporated as a sixth class city. As a municipality, Pippa Passes is empowered through its city council to legislate laws and provide for the welfare of its citizens.

The Pippa Passes Police Department has jurisdiction within the city limits to enforce laws of the community, state and nation. Students are liable under civil law as well as the regulations established by Alice Lloyd College while in the city of Pippa Passes. The Pippa Passes Police Department and Alice Lloyd College Security operate as a combined unit.

An officer is on duty 24 hours a day, 7 days a week. Officers patrol campus buildings, parking lots, residence hall exteriors and campus grounds. The Chief of Police has full law enforcement authority, identical to the local police and sheriff in your home community.

Sunday-Thursday curfew is midnight. Friday and Saturday nights curfew is 2a.m. All visitors should vacate visiting areas in residence halls 30 minutes before curfew hours. Residence halls will be locked by the Officer on duty. Late permission request must be signed by the Head Resident and the student must present the signed request to the Officer to gain entrance to the campus and residence halls.

EMERGENCY PROCEDURES

The Police/Security Officer has immediate access to communication equipment that will enable the proper assistance to be in route within minutes. Emergency 911 Dispatch will use a beeper service to notify local fire departments, or the Knott County Rescue Squad, or Trans-Star Ambulance Service, or the Disaster Emergency Service Coordinator, when needed.

The Pippa Passes Police handles the majority of criminal incidents on campus. If an accident or criminal incident occurs on campus, the on duty Officer needs to be contacted as soon as possible. If a major is committed then the Kentucky State Police is called, and a trooper is dispatched to the scene. Once the trooper arrives, he will assess the situation and call Post 13 and request a detective if necessary.

Alice Lloyd College is committed to informing the campus community on a timely basis of crimes and crime-related problems. Information is available regularly on reported criminal activity. Throughout the year brochures from various agencies are made available regarding prevention and awareness services for drug and alcohol abuse, assault, and harassment. Programs are also provided through the campus convocation program.

ALCOHOL & DRUGS

The college does not permit the use of, or possession of, alcoholic beverages or illegal non-prescription drugs on campus. Violators will be disciplined. As in compliance with the Anti-Drug Abuse Act of 1988 the college has certified that it will maintain a drug-free workplace. *The Substance Abuse Policy can be found in the Dean of Students Office*.
