

Apply for a Corporate Matching Gift and Double Your Gift to Alice Lloyd College

Many companies participate in Matching Gift Program as part of their employee benefit packages. They will typically match an employee's individual gift to a non-profit organization – like Alice Lloyd College – dollar-for-dollar. In some instances, companies generously match 2-to-1, even 3-to-1. Some companies will even match gifts made by retirees and spouses of employees.

Listed below are companies with matching gifts programs. Some will request an application be submitted online at the company's website. Others will require you to complete a form and mail it to the non-profit organization along with your contribution check. At Alice Lloyd College, we have a staff member who reviews all matching gift applications and provides the necessary verification on our part. When the matching gift arrives, we will let you know!

If your company matches, and isn't listed, please call us! We would like to keep our list up to date.

To apply for a matching gift through your company, check their website under employee benefits, or call your human resources director for instructions.
