B. Student Rights and Responsibilities

Alice Lloyd College students have the right to engage in the educational process, to be free from discrimination on the basis of race, creed, color, gender or national origin, to be secure in their persons, living quarters, papers and effects, to be free from illegal or unauthorized searches and seizures, to be free from violence, force, the threat of force, entrapment and coercion, and to be informed of the standards and norms of conduct established by the College.
The Alice Lloyd College campus is a community which can contribute to the growth of all individuals, encouraging high standards of conduct and attitude.

Students have the right to speak freely, to exchange thoughts and opinions, to engage in discussion and to make inquiries, subject only to the right of the College to make reasonable rules and regulations related thereto.

The College has a supervisory role in that all individuals in the community are expected to respect institutional standards and respect the rights of others.

To promote this atmosphere, Alice Lloyd College, as a private institution, reserves the right to establish certain policies, rules and regulations, many of which are published in the Student Handbook. Students are expected to be familiar with them and the spirit of the institution. Failure to observe the policies and regulations may result in disciplinary action including fines, incident reports, social probation, suspension, or expulsion from the College.

An integral part of a complete college experience is the development of a sense of responsibility and self-discipline. In order to enhance this development, every attempt is made to provide students with independence and the opportunity to make decisions on their own. Student life at Alice Lloyd College requires maturity of values and willing compliance with the requirements of community living. Toward these ends, the Student Services staff, (supported by the President) is generally responsible for the maintenance of the student community in harmony with the purpose of the College.

C. Student Conduct

Students are expected to conduct themselves both on and off campus as responsible members of a community and to demonstrate courtesy and respect for others. Abusive behavior, offensive language, theft, sexual conduct

Students may be informed of regulations not printed in the Handbook which also apply.

The College also reserves the right to make decisions regarding the status of students with special emotional or physical health problems. Status decisions will be based on the following considerations: health and safety of the student involved; health and safety of others; ability of the student to function in academic, labor, and social situations; the adequacy of medical care; services and facilities available on campus to respond to the student’s needs; and the responsibility of the College and the amount of risk it can take in good conscience.

*The College reserves the right to suspend or exclude, at any time, a student whose conduct or influence it regards as undesirable. In such cases, fees will not be refunded and the College will bear no liability for such disciplinary action. E. Disciplinary Appeals Process

Any student who is charged with an infraction of any Alice Lloyd College regulation may appeal the decision in writing to the Dean who issued the disciplinary action within 24 hours after receiving the disciplinary decision.

The respective Dean shall make the initial inquiry to determine if, in his or her sole judgment, there are reasonable grounds for a hearing. If it is determined that there are grounds for a hearing to be held on the charges, the Dean may contact the Chair of the Disciplinary Committee* to conduct the hearing.

A second and final written appeal may be directed to the President of the College who may or may not hear the appeal.

When a student checks out of his/her room, trash must be emptied, drawers and closets must be emptied and cleaned, and all personal items removed from the room. Failure to comply could result in a minimum of $50.00 charge for the student occupying the room.

The room is expected to be in the same condition as when he or she checked in. The student must have an R.A. or their Head Resident check him or her out of the room. A completed check-out form along with all keys must be given to the appropriate R.A. or Head Resident who will then submit to the Student Life Office.

H. Damages
It is important that students report damage to property or malfunction of equipment in living areas to the R.A. or head resident. Damages to hallways, baths, lobbies, etc. may be charged to persons who reside on the floor where damages are noted.

leaves his/her key at home, a temporary replacement key can be obtained in the Student Life Office.

J. Quiet Hours
   Quiet Hours begin at 10:00 p.m. each evening and end at 10:00 a.m. each morning.* Students are expected to observe these hours strictly so as not to disturb those students who wish to study. Common courtesy and consideration among student residents regarding noise is expected even during times not specified as quiet hours. Unnecessary disturbance may result in disciplinary action.
   *During final exams week, 24-hour quiet hours are observed.

K. Telephones
   Resident students are responsible for their own telephones.

L. Cleanliness and Room Inspection
   Dorm rooms must be kept clean by the residents. At least one inspection for cleanliness and fire prevention will be scheduled each month. (Posters or other items considered to be inappropriate by the College will not be permitted in the dorm room.) Students who repeatedly fail room inspection may be asked to vacate the dorm.

M. Open Dorm
   Open dorm for the residence halls is periodically scheduled and publicized by the Student Life Office. The head residents and R.A.s are expected to supervise all open houses.
N. Theft and Property Loss

Students are advised to keep doors locked when they are not in the room and to refrain from leaving large sums of money in the room.

Overnight forms can be picked up in the Student Life Office or from a resident advisor. The form can be signed by Student Services Staff between 8:00 a.m. and 4:30 p.m. Forms can also be signed by the appropriate head resident, head R.A. or resident advisors Monday through Friday after 4:30 p.m. until 10:00 p.m. **No forms will be signed after 10:00 p.m. unless it is an extreme emergency.**

It is assumed that students not in the dorm on the weekends have gone home or to a destination approved by their parent or guardian.

**S. Fire Safety**

All dorms are equipped with automated sprinkler systems in the halls and common areas.

In the event of an actual fire, pull the alarm immediately. Notify the R.A. or the head resident and leave the building.

Tampering with or removal of fire safety equipment may result in replacement cost and disciplinary action. False alarms are viewed as extremely serious and will lead to disciplinary action by the College.
T. Evacuation and Fire Drill Plans

Each semester the Student Services staff conducts fire drills for the residence halls. *Students are to follow the evacuation route posted on the inside of their rooms and vacate the dorm immediately. All students are required by law to evacuate the building.*

U. Curfew

Sunday through Thursday curfew is midnight. Friday and Saturday nights curfew is 2:00 a.m. All visitors should vacate visiting areas in residence halls at least 30 minutes before curfew. Residence halls will be locked at curfew by the Pippa Passes Department of Public Safety.

Anyone planning to be out of the dorm past curfew must have an overnight permission form, which must be presented to the Public Safety Officer to gain access into the dorm. All students without an approved form must report to the Student Life Office during the next business day.

Curfew forms for social purposes are granted to students in good standing according to classification. Seniors in good social and academic standing may have the privilege of four curfew permissions each month for social purposes. Juniors in good social and academic standing may have the privilege of three curfew permissions each month for social purposes. Sophomores and freshmen in good social and academic standing may have the privilege of two curfew permissions each month. The student may pick up the curfew permission forms from the Student Life Office between 8:00 a.m. and 4:30 p.m., Monday through Friday, or in special situations, forms may be picked up from the R.A. until 10:00 p.m.

It is assumed that a student not in the dorm on the weekends has gone home or to a destination approved by their parent or guardian. V. ACADEMIC POLICIES

The information presented here is intended to supplement information in the section entitled ACADEMIC POLICIES of the Alice Lloyd College Catalog. Students should have a working knowledge of the College’s academic standards, academic regulations, and degree requirements. Any questions can best be answered by the Registrar or the Dean of the College.

A. Registration Procedures

During the orientation period, all students will work with a Faculty Advisor to develop a schedule.

Steps for Registration: Locations will be posted for reference.
1) Admissions: Verify eligibility to register.
2) Meet with Faculty Advisor to finalize schedule.
3) Present schedule to the Registration Office.
4) Financial Aid: Verify award status.
6) Student Services: Register vehicle, I.D., Photo, Health Services.
7) Student Work Office: Verify labor position.
8) Pick up ID card and turn in registration card.

B. Academic Load

A normal full-time student load at Alice Lloyd College is 14 to 18 semester hours. An average load is 16 semester hours each semester for 8 semesters (128 hours are needed for graduation). Students with a GPA of 3.0 or above may
petition the Vice President for Academics/Dean of the College to register for more than 18 hours (an overload) to a maximum of 21 hours. Freshmen may not overload (more than 18 credit hours) during the freshman year.

C. Dropping or Adding a Course

It is important that students be aware of the College’s policies for changing course schedules and withdrawing from class. Failure to follow proper procedures could result in a loss of academic credit and a grade of “F.”

After obtaining a Drop/Add card from the Registrar, the student must secure the signatures of the faculty advisor, instructor(s), Student Work Office and if it is a general education course being dropped, also the Academic Dean, in that order. The completed card must be left with the Registrar.

Adding Courses--During each semester, students will be allowed to add a course to their original schedule up to the Last Day to Register date listed on the Academic Calendar.

Dropping Courses: Please note that request to drop any general education course require the Academic Dean’s signature. Students may withdraw from any class a total of two times. D. Student Classification

Different categories are used in the classification of students according to their current status and progress. Definitions of the most commonly used classifications are:

Full-Time Student: One who has been accepted by the Admissions Office as a degree candidate and who is enrolled for 12 or more hours in a given semester. A resident student whose course load falls below 12 credit hours will be asked to move out of the dormitory.

Special Student: One who has been accepted for college classes, but not as a degree candidate. A special student may apply to the Admissions Committee for degree candidacy at any time after 15 hours of credit have been successfully completed.

Part-Time Student: A degree candidate or a special student carrying fewer than 12 hours in a given semester.

Caney Honors Achievement Program (CHAP): June Buchanan seniors enrolled in ALC coursework.

Freshman: A student who has fewer than 30 credit hours.

Sophomore: A student who has successfully completed a minimum of 30 or more credit hours.

Junior: A student who has successfully completed a minimum of 60 or more credit hours.

Senior: A student who has successfully completed a minimum of 90 or more credit hours.

Honor Student: A student who has completed 15 or more semester hours in a given semester and has earned a 3.250 - 3.749 grade point average will be placed on the “Dean’s List.” A student who has completed 15 or more semester hours in a given semester and has earned a 3.750 – 3.999 grade point average will be placed on the “Dean’s Distinguished List”. A student who has completed 15 or more semester hours in a given semester and has earned a 4.00 GPA will be placed on the “President’s List.”
(Exceptions to the number of credit hours are allowed during the semester a student is student teaching when 12 hours constitute a normal full-time load.)

**Student in Good Standing:** A student who enters with and maintains a 2.0 GPA and meets the criteria for satisfactory progress.

**Probationary Student:** Any time a student’s cumulative GPA falls below 2.0 or the term GPA falls below 1.50 during enrollment, a student is placed on academic probation for the following semester.

Under rare circumstances, a probationary student may be continued on academic probation for an additional semester.

**Suspension:** Students are considered for academic suspension:

1) If their cumulative GPA is not at least 2.00 by the end of the probationary semester,
2) If their semester grades for a given semester fall below a 1.25 GPA; or,
3) If they are not considered to be making satisfactory progress toward the completion of a degree.

**Satisfactory Progress Criteria for Academics:** All students must show evidence that they are making reasonable progress toward the completion of a degree. In addition to the requirements for receiving financial aid, students:

- Must declare a major by the end of the sophomore year.
- Must be accepted into a bachelor’s degree program after the fifth semester.
- Must maintain appropriate grades and meet other requirements for their major.
E. Plagiarism

The faculty of ALC has adopted this policy concerning plagiarism: “Plagiarism is the act of using another person’s ideas or expressions in your writing without acknowledging the source. . . . In short, to plagiarize is to give the impression that you have written or thought something that you have in fact borrowed from someone else.”

“Plagiarism often carries severe penalties, ranging from failure in a course to expulsion from school.”

“The most blatant form of plagiarism is to repeat as your own someone else’s sentences, more or less verbatim.”

“Other forms of plagiarism include repeating someone else’s particularly apt phrase without appropriate acknowledgement, paraphrasing another person’s argument as your own, and presenting another’s line of thinking as though it is your own. . . .”

VI. CLASS ATTENDANCE, GPA, and STUDENT WITHDRAWAL FROM COLLEGE

A. Class Attendance Policy

Students and faculty should realize that one of the most vital aspects of college experience is attendance and punctuality in a classroom and that the value of this experience cannot be exclusively measured by testing procedures alone. Should the occasion arise in which a faculty member is unavoidably detained for a class, students must wait a minimum of 15 minutes before leaving.

If a student finds it necessary to miss a class, it is their responsibility to arrange with the instructor to make up all work missed. Instructors must devise their own attendance
policies, have them approved by the Dean of the College, include them in their course syllabi, and explain them to students.

Continuation in a class for a student, who misses more than 20% of class time during any one semester, whether excused or unexcused, may be possible only after consultation with the faculty member involved and the Dean of the College.

B. Quality Points/Grade Point Average (GPA)
Alice Lloyd College utilizes a four-point system as a weighted accumulative of the grades received.

- **A** is worth 4 quality points per credit hour.
- **B** is worth 3 quality points per credit hour.
- **C** is worth 2 quality points per credit hour.
- **D** is worth 1 quality points per credit hour.
- **F** merits neither quality points nor credit hours.

The Grade Point Average is a cumulative expression of the student’s academic performance and is computed by dividing the total number of quality points by the total number of credit hours attempted. Withdrawal grades are not included in grade point computation except in the case of an “F” given when students withdraw from a course after the 11th week.

C. Evaluation of Student Performance
Student achievement in each course is reflected by the following letter grades:

- **A (Outstanding)** – A high degree of excellence in the comprehension and interpretation of the work of the course; an indication of thoroughness, skill, initiative and originality in the application of knowledge gained.
B (Very Good) – Achievement above average in quality and quantity; indicated accuracy of knowledge, sustained and effective use of material in the course and independence in work.

C (Satisfactory) – A basic, average grade; indicates that the student has met the essential requirements of the course in quality and quantity.

D (Passing) – Passing, but below average; achievement inferior to the average in quality or quantity or both, yet sufficient to receive credit. A student may repeat a course in which he/she receives a “D” or “F.” The course may be repeated only once with the student receiving the higher of the two grades.

F (Failure) – Failure to meet the minimum requirements of the course.

W, WP, WF (Withdrawal, Withdrawal Passing, Withdrawal Failing) – These grades are explained in the section concerning dropping and adding classes. These grades are not computed in a student’s GPA.

I (Incomplete) – Temporary notation used only when course requirements have not been completed due to extenuating circumstances. For each grade of Incomplete, the instructor must submit to the Vice President for Academics/Dean of the College an Academic Standing Petition which specifies the work to be done to make up the Incomplete, what method is to be used to determine the final grade, and any additional pertinent information. The Registrar will not accept incomplete grades without an Academic Petition submitted to and approved by the Vice President for Academics/Dean of the College. An incomplete grade must be made up within the first 30 days of the next regularly scheduled term. Failure to make up the incomplete within the required period of item will result in a failing grade.
P (Pass) – Students taking courses that assign Pass/Fail rather than letter grades will receive a grade of P when they reach the necessary level of proficiency in that course, or an F if they fail to do so.

D. Grade Appeal

If there is a disagreement regarding a final grade, every attempt should be made to resolve it, first through discussion between the student and the faculty member, then between the student and the division chair.

If the disagreement is not resolved in this manner, the student may submit a formal appeal in writing to the Vice President for Academics/Dean of the College, who may appoint a committee of three faculty to investigate and provide recommendations on the merits of the appeal, before a final decision is rendered by the Vice President for Academics/Dean of the College. Formal appeals must be made within thirty days after receipt of the final grade.

E. Student Withdrawal from College

The College regards the registration of a student as a contractual agreement. For this reason special procedures must be followed in the event a student withdraws from the College. Students withdrawing should personally circulate a withdrawal form, obtained from the Director of Student Development. If the student cannot appear in person, or if the withdrawal occurs when classes are not in session, the Vice President for Student and Community Life/Dean of Students should be notified by letter. Formal withdrawal protects the privilege of re-enrollment or of transfer credit to another college. Failure to follow withdrawal procedures during any session results in an “F” grade in all courses being taken. Such grade entries include the notation “Improper Withdrawal.”
Policies concerning a withdrawing student’s financial obligations can be found in the Financial Aid section of the ALC catalog.

Students who withdraw from the College will have one of the following notations on their permanent record, depending on the time of the withdrawal.

1st-4th Week W*
After 4th Week WP* or WF*

*Not computed in the student’s GPA

VII. STUDENT REPORTS

Under provisions of the Educational Rights and Privacy Act of 1974, as amended, the following policies are established by Alice Lloyd College.

A. Notification Of Your Rights Under The Family Educational Rights and Privacy Act

The Family Educational Rights and Privacy Act (“FERPA”) affords Alice Lloyd College (“ALC”) students certain rights with respect to their education records. They are:

1) The right to inspect and review the student’s education records within 45 days of the day ALC receives a request for access.

Students should submit to the Registrar, Dean, head of academic department, or other appropriate official, written requests that identify the record(s) they wish to inspect.

The ALC official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not
maintained by the ALC official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

2) The right to request the amendment of the student’s education records that the student believes are inaccurate or misleading.

Students may ask ALC to amend a record that they believe is inaccurate or misleading. They should write the College official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If ALC decides not to amend the record as requested by the student, ALC will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3) The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent the FERPA authorizes disclosure without consent.

One exception is disclosure without consent to school officials with legitimate educational interests. A school official is a person employed by ALC in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit, personnel and health staff); a person or company with whom ALC has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee,
such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate education interest if the official needs to review an educational record in order to fulfill his or her professional responsibility. Upon request, ALC discloses education records without consent to officials of another school, upon request, in which a student seeks or intends to enroll.

4) **The right to request that ALC not release directory information.**

ALC may release without the student’s prior consent that information which ALC has designated as “directory information.” ALC has designated the following information as directory information. The student’s name, address, e-mail address, telephone listing, date and place of birth, current class schedules, class, ALC ID number, classification, part-time/full-time status, photograph, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and the most previously attended educational agency or institution.

A student has the right to prohibit disclosure of any or all directory information. To do this, the student must identify in writing which type of directory information he or she forbids from disclosure. The written notification must be delivered to the Registrar’s Office by the last date of late registration.

5) **The right to file a complaint with the U.S. Department of Education concerning alleged failures by ALC to comply with the requirements of FERPA.**
The name and address of the Office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC  20202-44605

VIII. FINANCIAL AID, STUDENT WORK AND STUDENT LIABILITY

A. Financial Aid
   It is essential that students understand all components of their financial aid package. The Financial Aid Office (located on the first floor of the June Buchanan Alumni Center) tries to answer all students’ questions before school starts. Students unclear about any aspect of their financial aid package should direct all questions to the Financial Aid Office. For further information concerning Financial Aid, please consult the College Catalog.
   **The Financial Aid Office is handicap accessible.**

B. Student Work Program
   All full-time students at ALC are required to work 160 hours per semester in the Student Work Program. Assignments will be made by the Director of the Student Work Program. These jobs are varied and all students are paid at the prevailing minimum wage rate.
   If a student performs unsatisfactory work, fails to work, or fails to abide by general and departmental rules, his or her supervisor or the Director of the Student Work Program will give a written warning. The warning will serve as a written documentation of the specific problem. All written warnings will become a part of the student’s permanent
work record and will be kept on file in the Student Work Office.

The warning system is based on the following:

- **Warning #1** – a written statement given by the supervisor of the student or Student Work Director.
- **Warning #2** – mandatory meeting with the Student Work Director.
- **Warning #3** – student work probation, with mandatory meeting with the Dean of the College.
- **Warning #4** – due to continued failure to abide by general and departmental rules, the Student Work Director may recommend suspension from the work program.

_Suspensions will be handled by the appropriate Dean._

If a problem occurs that is so flagrant that it requires immediate attention, then the matter may be taken directly to the Director of the Student Work Program, possibly resulting in immediate probation, suspension, or expulsion by the Dean of the College.

**Delinquent or Excessive Time** – delinquent time results when a student misses work (excused or unexcused) without making it up.

All delinquent time must be removed by the end of each semester. Any student falling 50 or more hours short at any time throughout the semester (without good cause), will be sent to the appropriate Dean for disciplinary action. All students that fail to work their contracted hours by the end of the semester, must make an arrangement to satisfy their delinquent time before a transcript can be released. Students wishing to return to,
or graduate from, Alice Lloyd College may be suspended, expelled, or not allowed to graduate if work issues have not been settled.

The Director of the Student Work Program will review each case on an individual basis. The delinquent time must be taken care of before the student will be permitted to enroll for the next semester, get a transcript, or graduate.

C. Fee Payment and Procedures

For most ALC students, the major portion of education costs is paid through the College’s Financial Aid Program. Students can prepay their fees in the summer.

Students whose financial aid packages do not satisfy their cost of education (tuition), room and board, and fees are required to pay 100% of their total balance at or before registration. Students who owe any balance should make arrangements for payment prior to Preregistration. When students register they incur a non-refundable matriculation fee. Preregistration for Spring Term takes place in November; for Fall Term in late April. There is a $15 service charge on all returned checks.

Students owing an outstanding balance may be prohibited from receiving grades, graduating, or receiving a transcript.

D. Satisfactory Academic Progress (SAP) Criteria for Financial Aid

Satisfactory Academic Progress (SAP) ensures students are able to complete their academic program in a timely manner while maintaining adequate academic standards. In an age of increasing accountability of the use of federal student aid funds (and other federal, state, and institutional funds), institutions and students must demonstrate financial
aid funds are being used to assist students in completing their academic goals in the most efficient way.

Federal regulations mandate that all students maintain SAP toward a degree in order to receive assistance through Title IV federal financial aid (including, but not limited to, the Pell Grant, Stafford Loan, Parent PLUS, Federal Work-study, Supplemental Educational Opportunity Grant) and need-based state aid (such as the Kentucky Tuition Grant and Kentucky CAP Grant) programs. Students must meet the academic standards as outlined in the SAP policy. These standards are for financial aid purposes only and neither replace nor override academic policies outlined by Alice Lloyd College. The SAP policy applies to all undergraduate students.

Policy Components

There are three components of SAP consisting of quantitative and qualitative measurements. Quantitative measurements evaluate the pace and progress by which a student is working toward the completion of his or her program. This is measured by establishing a required percentage of credit hours that must be passed when attempted and by a maximum time frame in which a student must complete the required coursework. The Qualitative measurement evaluates the quality (GPA and academic standing) of the student’s academic work.

Quantitative Requirements:

1. Maximum Time Frame

   All students are expected to finish their program within a maximum time frame as determined by the college. All attempted credit hours are considered toward the maximum allowance, regardless of whether or not the student received financial aid.
**Undergraduate Students:** A student’s total cumulative attempted hours may not exceed 192 hours (150% of the minimum 128 hours required to earn a bachelor’s degree – 128 hours x 150% = 192 hours).

2. **Pace**
   Undergraduate students must be on target to complete their academic program within the set time frame. To determine if a student is meeting this standard, total **cumulative earned** hours are compared to total **cumulative attempted** hours. The result must be 66.66% or greater, which means the student must complete and pass two-thirds of their cumulative attempted hours.

**Qualitative Requirements:**

3. **GPA and Academic Standing**
   **Undergraduate Students:** Students must maintain at least a cumulative 2.0 official GPA and be in good
standing, not dismissed nor suspended from their academic program, as determined by the Academic Dean’s policies.

**Evaluation and Notification**

SAP will be reviewed at the end of each academic semester to determine if students meet the requirements. If the student fails to meet SAP after one semester, they will be placed on “Financial Aid Warning”. The student will be eligible to receive aid for one semester. At the end of the warning semester, the student will be evaluated again. If the student regains SAP there is no further action and the student will remain eligible for financial aid. Students who fail to regain SAP will be placed on “SAP Suspension” and be ineligible to receive financial aid until SAP is met.

Students who lose eligibility for federal, state, and institutional aid due to not meeting SAP requirements may:

- Earn the necessary GPA or semester hours to meet the minimum requirements while not receiving federal and state need-based financial aid, or
- Submit a SAP appeal.

Unless dismissed due to other circumstances, students denied federal, state, and institutional aid may continue to attend ALC using other aid sources or by funding their education themselves.

It is the student’s responsibility to monitor his or her academic progress and to be aware of the requirements of his or her program and SAP standards.

**Appeal Process**

A student determined ineligible for financial aid for failure to meet the Alice Lloyd College Satisfactory Academic Progress standards has the right to make a written appeal to the Financial Aid Office if he or she can demonstrate:

- Failure to meet the minimum standard was caused by extreme or unusual circumstances beyond his or
her control (natural disaster, family illness, etc.)
Third Party Documentation of circumstances
described in the letter must be included with the
written appeal), and:

- He or she has resolved the issue(s) that caused the
deficit, and:
- Issue(s) will not affect his or her performance in the
future.

This letter should be sent to the Director of Student
Financial Aid at:
100 Purpose Road
Pippa Passes, KY 41844

If an appeal is approved, the student will be placed on
probation. His or her SAP will be evaluated the following
semester he or she is enrolled to ensure the student is still
meeting the appropriate requirements. If at the time the
standards are not met, a SAP hold will be placed back on
the student’s account and any federal aid and state grant aid
in future semesters will be canceled.

Limit of Appeals
A student may appeal only twice during their academic
career at ALC.

Notification
All notifications will be sent in two ways: a letter will be
sent to the student’s home address and an e-mail will be
sent to the student’s Alice Lloyd College e-mail address.

Other SAP Information
Additional information regarding grades, credits,
academic policies and study abroad:

- Earned Hours: A, B, C, D, Pass and Transfer Hours
  accepted by Alice Lloyd College
- Attempted Hours: All earned hours, plus W, F, I U
  (with exceptions listed below)
• **Accepted Transfer Credits:** Count as earned and attempted hours; are not factored into the student’s GPA calculation.

• **Repeat Courses:** Courses count as attempted hours each time taken, regardless of whether federal financial aid is received. If the class is passed, it is also counted as earned hours. If a student is using any of his or her three repeat options offered through the Registrar’s Office, the initial enrollment in the course (the class which is being replaced) will be included as attempted hours and excluded from earned hours if previously passed (which impacts pace), and it will be excluded in the GPA calculation.

• **Incomplete and Withdrawal Grades:** Count as attempted hours; do not count as earned hours.

• **Audited/Non-Credit Courses:** Excluded from all calculations and will not be considered when determining SAP status.

• **Study Abroad:** Courses accepted by Alice Lloyd College.

E. **Withdrawal Liability**

The College regards the registration of a student as a binding financial agreement. For this reason, special procedures must be followed in the event a student withdraws from the College. A formal withdrawal petition needs to be circulated, establishing the date of withdrawal and the percent of liability owed to the College for tuition, room, and board. Students who leave school before the end of the semester may owe the College money based on the refund policy, which is federally mandated. Students are no longer eligible for financial aid after withdrawing from Alice Lloyd College twice.
F. Refund Policy

The College has established refund policies for recipients of student financial aid. First-time students receiving Title IV aid are refunded on a prorated basis for tuition, room, board, and fees. Refunds are not granted after 60% of the semester has elapsed. The refunds are applied to the programs in the order listed:

1) Federal Direct Loans
2) Federal Plus Direct Loans
3) Federal Pell Grants
4) Federal SEOG Grants
5) Other Federal Grants
6) KHEAA Grants
7) Bagby Loans
8) ALC Grants
9) Student.

Students cannot graduate nor have transcripts released if they are indebted to the College. Students receiving institutional aid are charged according to the percentage of the semester attended and refunded up to 12 weeks in the semester any overpayments made.

G. Refunds for Student Textbooks, Secondary Items

Refunds will be given only when the following conditions apply:

1. The student must have the original sales slip.
2. The item which is being returned is a textbook.
3. It is being returned on or before the Drop/Add date.
4. There are no marks in or damage to the textbook.

If there is sufficient money in the cash drawer, the exchange can be made from there. If this is not possible, the student will be referred to the Business Office, where a refund check will be arranged. Refunds/Exchanges of secondary items are permitted under the following conditions:
1. The item was damaged upon purchase.
2. Apparel was wrong size.

H. City of Pippa Passes

Since July, 1983, the city of Pippa Passes has been incorporated as a sixth class city. As a municipality, Pippa Passes is empowered through its city council to legislate laws and provide for the welfare of its citizens. The Pippa Passes Department of Public Safety has jurisdiction within the city limits to enforce laws of the community, state and nation. Students are liable under the civil law as well as the regulations established by the College while in the City of Pippa Passes.
