New Business

“Spring Fling” plans are in process

• VP Rex Fronaphel stated that the music group “Sundy Best” has been contacted and is a possibility

• Date of the Spring Fling has not been established. It appears that March 27 and March 28, 2015 may be the only weekend available for the Spring Fling at this time, due to the busy schedule and availability of staff and students with end of the year events.
Spring Fling Ideas & Plans:

The “Spring Fling” will be somewhat like the annual Fall Festival but with more attention to the outside activities that can’t be performed during the Fall because of cooler weather. However, there will be NO silent auction. Based on prior events, the PTO has determined that student based projects (artwork, performances, etc) that are performed and/or created by the students themselves, are in high demand and are a great source of fundraising and benefit the school greatly. Because of this fact, PTO has recommended that we have our students and faculty use their talent and artistic skills for the Spring Fling as well. A vote was not taken at this meeting but will be determined at the March meeting.

- There will be a General Admission fee into the Spring Fee and will include ALL activities including,

- K-4 Performances
- Laser Tag, Rock Climbing Wall
- Mechanical Bull and other fun and exciting outdoor events will be held

New Business Continued...

With PROM being just around the corner. All dates and dresses are to be approved by Dean Clark and Tara Reynolds prior to the event. PROM is scheduled for April 25, 2015.
