Fundraisers:

- Majority agreed that Concerts are successful fundraisers. There are several possibilities including the popular country groups, Sundy Best and Halfway to Hazard. These concerts will be held in the auditorium of CAC. More details TBA very soon.

  Because these concerts will be performed in the CAC auditorium, we have requested that the groups perform acoustically... having learned from previous events that the sound systems and amplifiers can be a bit overbearing and overwhelming.

- The idea of a Spring Fall Festival was discussed and majority agreed that this would not only be profitable for the school but also very fun. The "Spring Fling" will be very similar to that of the annual Fall Festival annual we have every year but because of warmer weather will be adding many outside events such as Lazer Tag, possible rock climbing wall, etc... The most exciting of these events being the Talent Show consisting of ALL grades. The students will be entertaining as a Group and also will be showcasing their amazing talents individually..... Mrs. Robin Cook (4th Grade Teacher) recommended a Magic Show and has taken on ALL responsibilities in making this happen.

  PTO will be proudly sponsoring K-5 in their performing of the musical "Annie" this Spring as well.

  PTO will be sponsoring pizza parties for the classes that collect the most money during the Pennies for Patients charity fundraiser.

  PTO has agreed to match the Junior Class up to $3000.00 to put towards Junior Trip

  PTO has agreed to match the Senior Class up to $4000.00 to put towards the Senior Trip
