## Riddle

????

*You have two small cups filled with water and an empty bucket. How can you dump all of the water out of the cups and into the bucket and tell which water came from which cup without using any dividers of any sort?*

*Answer on last page*

The McDowell Professional Pharmacy staff will be on campus on September 27th beginning at 10:00 a.m. to provide Flu, Covid or other immunizations to staff and students. They will be located in the DSC 2nd floor Conference Room. Contact ALC nurse, Margaret Duff at 368-6122 if you have questions. If you already plan on getting one or more of the vaccines, let the nurse know so she can give the pharmacy an estimate of the number of people they will be vaccinating.

Confidence comes not from always being right, but from not fearing to be wrong.

ALICE LLOYD COLLEGE

*Appalachia Day  
Homecoming*

October 7, 2023

MUSIC, CRAFTS, FOOD, AND FUN!

## Homecoming Coronation

October 7th is Alice Lloyd College's Appalachia Homecoming festivities. In addition to all the vendors, musicians, and alums from many years returning to visit our campus, there are several athletic events scheduled. It is between the men and women's games that the Homecoming Coronation will take place. The freshmen and sophomore Homecoming representatives and the Homecoming Princess and Homecoming Queen will be recognized and crowned. The Resident Advisers Homecoming Committee will be taking names of any full time female wishing to run for class representative, princess or queen. Only freshmen can run for freshmen representative, only sophomore can run for sophomore representative, only juniors can run for princess and only seniors can run for homecoming queen.

Voting will take place in the DSC 1st floor foyer on September 27th.

Anyone who has questions regarding the coronation can see Ms. Stumbo, DSC 205, or Kennedy Clarkson, Avery Jenkins, Head Resident Advisors.

## National Collegiate Alcohol Awareness Week October 16-20th

College and university students will join forces with their peers and campus professionals on more than 800 campuses across the country to promote National Collegiate Alcohol Awareness Week (NCAAW) October 16-20. During NCAAW, students have the opportunity to participate in a variety of awareness and educational events, all designed by the campus' prevention partners and leaders to reinforce personal responsibility and respect for current state laws and policies when it comes to the consumption of alcohol beverages.

NCAAW has grown to become the largest single event in all of academia because students take ownership in designing and implementing this observance for their campus communities. This week gives campuses the opportunity to showcase healthy lifestyles free from the abuse or illegal use of alcohol, and to combat the negative and inaccurate stereotypes of college drinking behavior.

Resident Advisors will be in the DSC foyer from 11:00 a.m. until 1:00 p.m. during the week to distribute information regarding the dangers of alcohol and statistics regarding the use of alcohol.

**SOLUTION TO THE RIDDLE:**

If you were to place the two cups into a freezer and freeze the water inside of them, you could easily distinguish the cups of water from one another once they are put into the bucket.

*Whoever gossips to you will gossip about you.*

Unknown

The most dangerous leadership myth is that leaders are born—that there is a genetic factor to leadership. That's nonsense; in fact, the opposite is true. Leaders are made rather than born.

Warren Bennis

The mediocre teacher tells. The good teacher explains. The superior teacher demonstrates. The great teacher inspires.
