## Riddle

????

### The Dove in the Hand

*An old wise man lived in a little home on a hill. One morning, two young boys from the town decided they wanted to fool the wise old man. They took a dove with them and knocked on the old man's door. When he answered, one of the boys said to him: "Let's see how smart you really are! Is the dove I'm holding behind my back dead or alive?" The old man smiled and replied, "I cannot answer you because I know you are trying to trick me."*

*Despite knowing the condition of the dove, why wouldn't wise old answer the young boy?*

*Answer on last page*

**Become the kind of leader that people would follow voluntarily; even if you had no title or position.**  
**Brian Tracy**

**Boating is one of Baer's favorite activities.**

Come and get it!

National Collegiate Alcohol Awareness Week  
October 16-20th

College and university students will join forces with their peers and campus professionals on more than 800 campuses across the country to promote National Collegiate Alcohol Awareness Week (NCAAW) October 16-20. During NCAAW, students have the opportunity to participate in a variety of awareness and educational events, all designed by the campus' prevention partners and leaders to reinforce personal responsibility and respect for current state laws and policies when it comes to the consumption of alcohol beverages.

NCAAW has grown to become the largest single event in all of academia because students take ownership in designing and implementing this observance for their campus communities. This week gives campuses the opportunity to showcase healthy lifestyles free from the abuse or illegal use of alcohol, and to combat the negative and inaccurate stereotypes of college drinking behavior.

Resident Advisors will be in the DSC foyer from 11:00 a.m. until 1:00 p.m. during the week to distribute information regarding the dangers of alcohol and statistics regarding the use of alcohol.

Students will be able to sign a pledge card regarding their plans to make smart choices regarding the use of alcohol and to be entered in a drawing for a free hoodie from the bookstore. There will be a drawing for the male student and one for the female student. Thanks to Jessie Wilks for donating the hoodies.

There will also be State Police on campus on Wednesday, with the necessary equipment, to allow students to see how well they drive on the meadow wearing drunk driving goggles.

**SOLUTION TO THE RIDDLE:**

The wise man knew better than to answer the boys' question because all the boys have to do is bring a live dove with them and they can easily trick him: If he says the dove is alive, they will kill the bird behind their back and show him a dead bird, and if he says the dove is dead, they will simply show him the live dove. Silly Kids.

Top 4 things we cannot recover in life: Words after they are said. Moments after they are missed. Actions after they are done. Time after it is gone.
